

G.LOCAL TOUR OPERATOR

DEAF-FERENT TRAVEL

ACCESSIBLE TRAVEL FOR DEAF PEOPLE

COMPANY BACKGROUND

Deafferent Travel

From the personal experience of the G.Local Tour co-founder Monica Renna, CODA and expert of cultural minorities as well as a great lover of travels and different cultures from all over the world, born the idea of promoting deaf culture through the travel's experiences.

It promotes holiday bundle with the aim to highlight deaf culture, inclusive travel experiences between deaf and hearing people and sustainable tourism (nature & adventure) accessible and designed for deaf people.

Within the Deafferent travel packages there is always an experience connected to the deaf culture (visits to deaf entrepreneurs, club and cultural centers of deaf, museums ..) as well as the aim of training and empowerment of young unemployed deaf in order to create a "deaf staff" and a network made up of deaf people or "deaf - friendly".

CONTACT US

A group of approximately 15 people, including men and women of various ages, are standing on the edge of a high, reddish-brown rock cliff. They are all smiling and waving their hands. In the background, a calm lake reflects the surrounding greenery and the red rock walls of a canyon. The sky is clear and blue.
